### Spotlight on websites:
- [Canadian Institute for Health Information](#) Statistics compiled and compared for waiting times, number of health care professions by province etc. Reports download as excel files. Clicking the bottom tabs will open up relevant sections.
- [Physician Directory - College of Physicians and Surgeons of BC](#) Find physicians in BC by specialty, gender, and languages spoken.
- [Statistics Canada](#): The number of Canadians who smoke or have a family doctor and much more.

### To request books:
Click on the title of the book and click on “Add to Bookbag” (just above title). When you are ready to check out, select the ‘suitcase’ icon in the top right hand corner - Select all items & Click on “request selected” – be sure to include your name, work location (mailing address) and phone number or email address in the body of the email.

  *These books are currently on loan, but your name can be added to a waiting list and the books will be forwarded to the next person on the list as they become available.*

### Using eBooks:
Ebooks are linked directly from the library’s catalogue. Links are automatic if you are onsite at Northern Health. Some ebooks are one user at a time while others are simultaneous unlimited access. If you get a message telling you the item is in use, you may try again later. For information on the library’s mobile ebooks, [visit the OurNH Library page](#).

- [Value stream mapping for healthcare made easy : Cindy Jimmerson ; illustrated by Amy Jimmerson and Herman Ranpurnia](#)
- [Evidence-based geriatric nursing protocols for best practice : Marie Boltz, Elizabeth Capezuti, Terry Fulmer, DeAnne Zwicker, editors](#)

[Connect to all library resources!](#)
