What’s New?
The library has a new website and it brings together resources that were previously split between the NH and OurNH websites.

Key features:
• Service Information – what can the library help you with?
• Subject Guides – for nursing, medicine, mental health and more.
• Databases A-Z – all the library’s resources organized in one place – from the library’s catalogue and journals collection to UpToDate and Clinical Skills.
• Staying Current – Learn how to automate updates on research in your work area.
• You can still find the library’s links on the NH (under Health Professionals) and OurNH (under About NH) sites. They will redirect you to the new site.
