New articles on the topic of Leadership and Healthcare management. All links go to full text library service subscription unless otherwise noted. If you have any issues accessing the full text, please contact library@northernhealth.ca

Orientations: Do you have staff who want to learn more about how the library can deliver evidence to the point of care for high quality decision making, to teams working on program development, or for those wanting to stay current in their work area? Recommend Library Orientation! Sessions are scheduled in the Learning Hub for November and December or by request if these times don’t work for your teams.

DATA

- CIHI’s July 2019 Data Release on the Health Workforce includes data tables, summaries and interactive features on the supply and distribution of many regulated professions in Canada including nursing, occupational therapy & physiotherapy.
